## Organizations

### **Student Member**

**Petroleum Joint Venture Association (PJVA)**

**2024-present**

The PJVA represents and supports individuals and organizations involved in petroleum joint venture. PJVA is the gold standard in Western Canada for joint venture education, development and maintenance of model agreements, industry best practices, and networking.

### **Student Member**

**Canadian Association of Petroleum Land Administration (CAPLA)**

**2024-present**

In Canada, land administration professionals working in the energy industry are represented by the Canadian Association of Petroleum Land Administration (CAPLA®). Based in Calgary, Alberta, CAPLA is one of the largest oil and gas membership associations in the country with ~800 members. CAPLA provides a Code of Conduct, ethics training, education seminars, workshops and courses, an annual conference, a voluntary certification program, leadership development, mentoring opportunities, a job bank, and a busy calendar of networking events.
