Who I am

Detail oriented and highly organized Petroleum Land Administration certificate graduate with a strong academic record and a background in regulated, documentation heavy environments. Brings proven experience in compliance and high stakes decision making from rural emergency medical services. Seeking entry level to junior land administrator position.

EDUCATION

SAIT — *Certificate in Petroleum Land Administration*
2025 | GPA: 3.88

University of Saskatchewan — *BSc. Physiology & Pharmacology (With Distinction)*
2018 – 2022

WORK EXPERIENCE

Emergency Medical Responder — Rural Ambulance Service, Tisdale, SK

2022 – 2025 - Operated in a compliance driven environment requiring precise documentation, adherence to protocols, and accountability. Prepared accurate written reports and patient records under time sensitive conditions. Worked collaboratively with paramedics, dispatch, law enforcement, and healthcare facilities to ensure coordinated responses. Maintained strict confidentiality and professional standards at all times.

Guest Services Associate — WinSport Canada

2020 – 2021 - Served as a front line representative responsible for guest communication and safety compliance. Explained policies and operational procedures clearly to guests. Collaborated with a large team responsible for operating the park.

Wilderness Counsellor — Tim Hortons Children's Foundation

2019 - Led multi-day wilderness expeditions for youth aged 13–18 across Manitoba. Ensured participant safety through application of wilderness first aid protocols. Coordinated travel logistics and safely escorted participants from multiple provinces back to their homes.

LEADERSHIP & VOLUNTEER EXPERIENCE

Calgary Youth Justice Committee

2025 - Present - Works with youth charged with minor offences, including theft and assault. Supports youth re-integration by developing individualized sanctions in accordance with the Youth Criminal Justice Act.

Physical Literacy Assistant — Whistler Adaptive Program

2021 – 2022 (Seasonal) - Supported adaptive recreation programs for children and adults with diverse needs. Assisted participants in developing foundational outdoor and physical activity skills.

Peer Mentor — University of Saskatchewan

2019 – 2022 - Mentored 15–20 first year undergraduate students through structured weekly sessions. Delivered presentations on academic planning, resources, and professional development. Collaborated with fellow mentors and program coordinators to evaluate and improve program effectiveness.
