

2025 LEMAC Conference Sponsorship Lead the Way in Land, People, & Innovation

We welcome your organization to join us at the 2025 LEMAC Energy Horizons Conference—where Canada's land and energy leaders come together to shape the future. This year's theme, "Land, People, Innovation," will spark bold conversations on the pressing issues facing our industry: navigating complex regulations, building meaningful Indigenous partnerships, advancing decarbonization, and harnessing the power of digital transformation in land and energy data.

As one of the most anticipated events of the year, the LEMAC Conference is a full day of learning, collaboration, and connection. **Last year's sold-out event brought together over 270 professionals**, creating unmatched opportunities for knowledge exchange and networking.

By sponsoring Energy Horizons 2025, your organization will gain premium visibility and align your brand with the forward-thinking leaders driving innovation in Canada's energy landscape. Secure your sponsorship today and showcase your commitment to the future of land and energy.
